

Safety rulers

- Heavy duty aluminium construction, non-slip mat and anodized in red.
- The curved aluminum finger guard is designed to give the best protection.
- Its stainless steel cutting edge prevents the ruler to wear away with the knife.
- Numbers are laser-engraved and will not fade with the use, opposite to the ones that use a metric tape with glue.

*Dimensions of 70 cm ruler

Specs

Sizes 70, 100, 150, 200, 250 cm

Reference	Sizes	Packaging dimensions	Packaging weight
PHRS70	70 cm	8 x 11 x 70 cm	0,94 kg
PHRS100	100 cm	8 x 11 x 100 cm	1,32 kg
